

Draw a loop, then
a line at the
back, a for apple
starts the
alphabet pack...

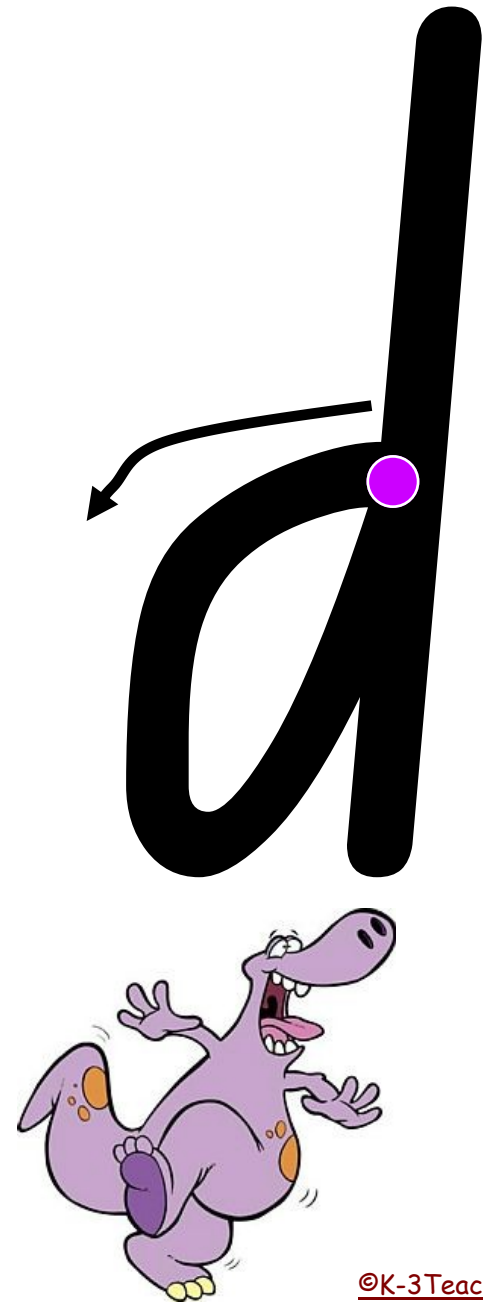

b for **b**anana,
nice and **y**ellow.
His **b**ed has a line
and the loop is his
pillow...

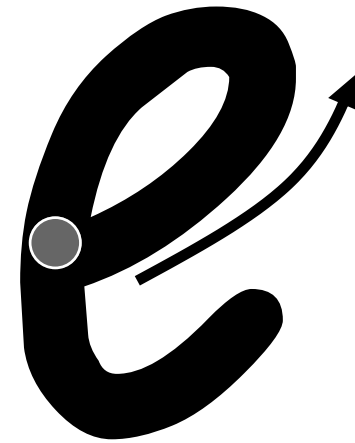

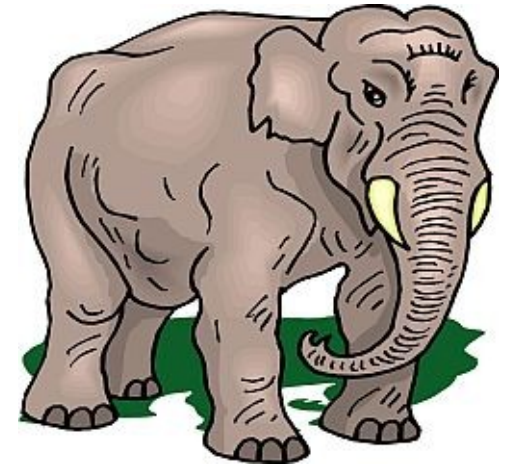

Make a curve like
half the **sun**, just
with that **c** for
car is **done**...

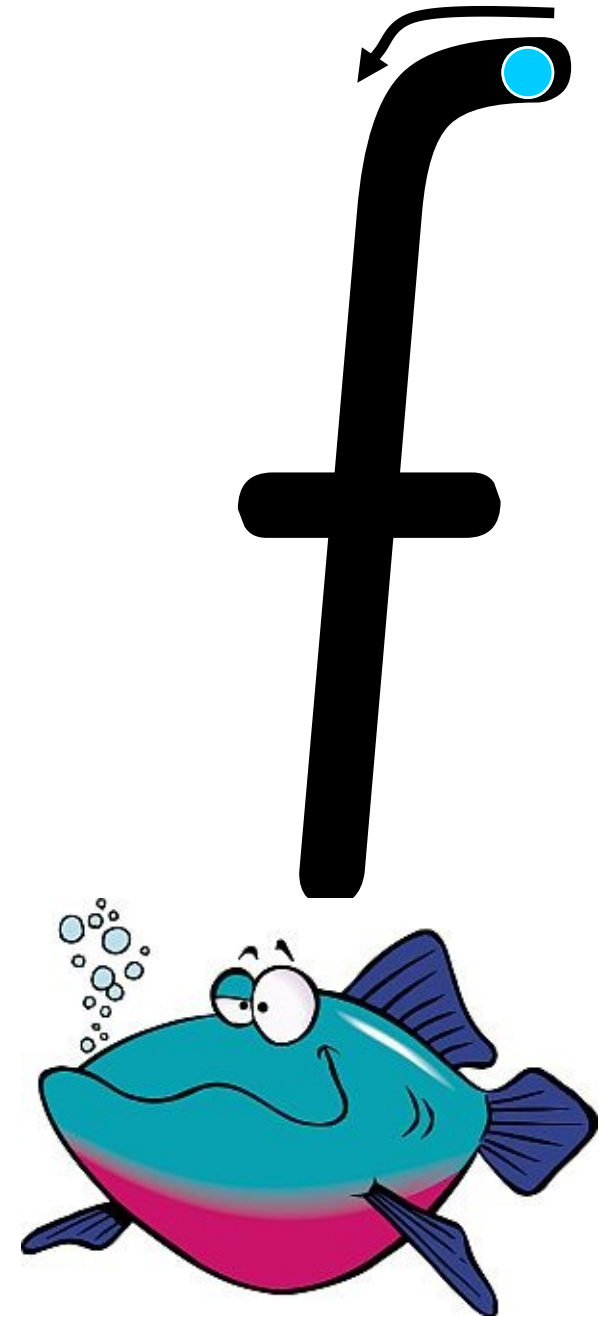

In **d** for **dino**, a
loop and line **meet**
– at the end of
the bed where you
put your **feet**..

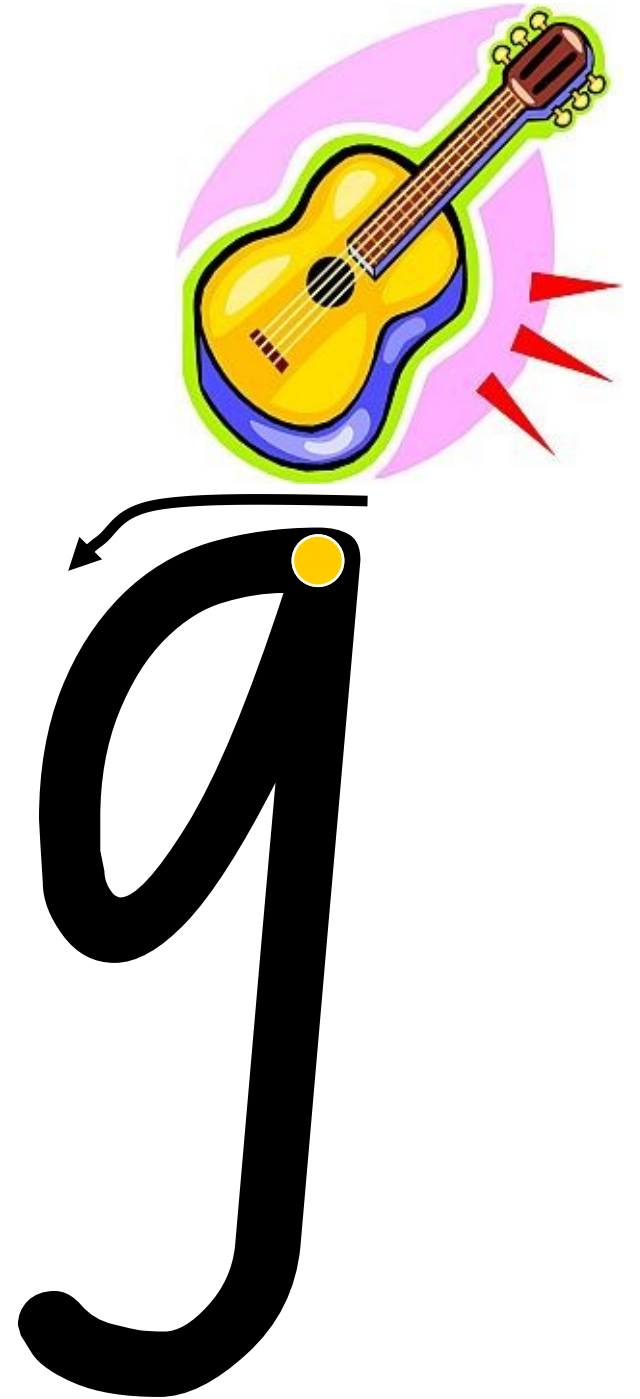

e for elephant
goes up and curves
round – so now
you the letter e
have found..

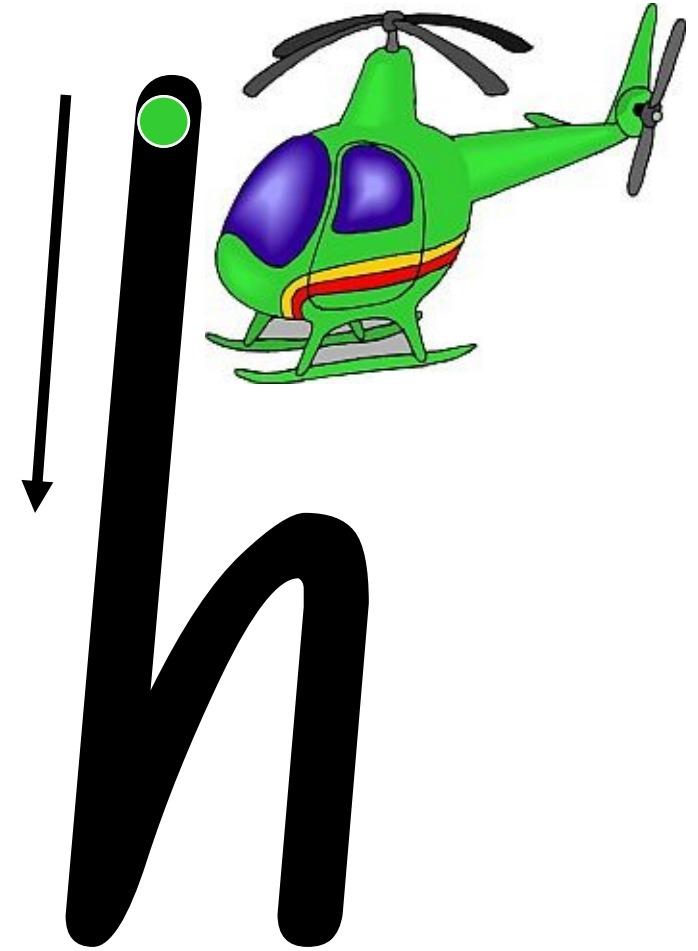

A hooked line
going down with
another line
across makes **f**
for **f**ish and **f**airy
floss...

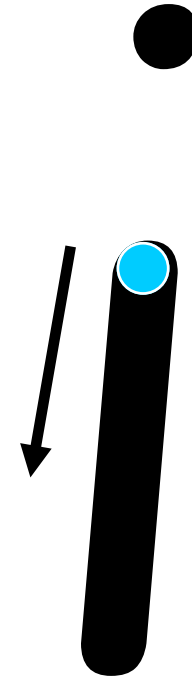

A loop with a tail
now take a **look**,
in **g** for **guitar**,
the tail has a
hook.

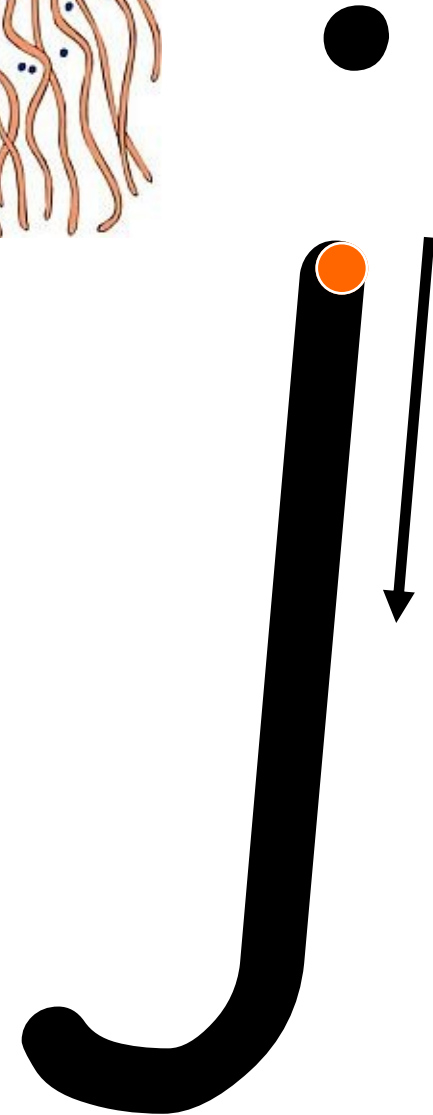

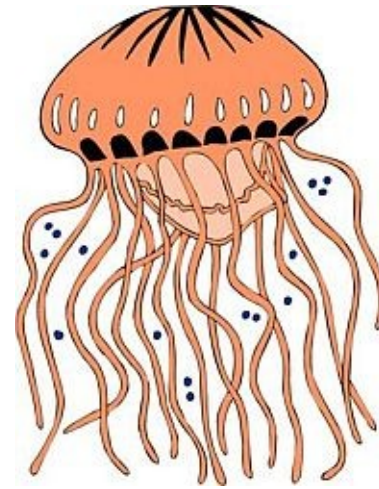

Down from top
to bottom you
march, **h** for
helicopter then
draws an **arch**...

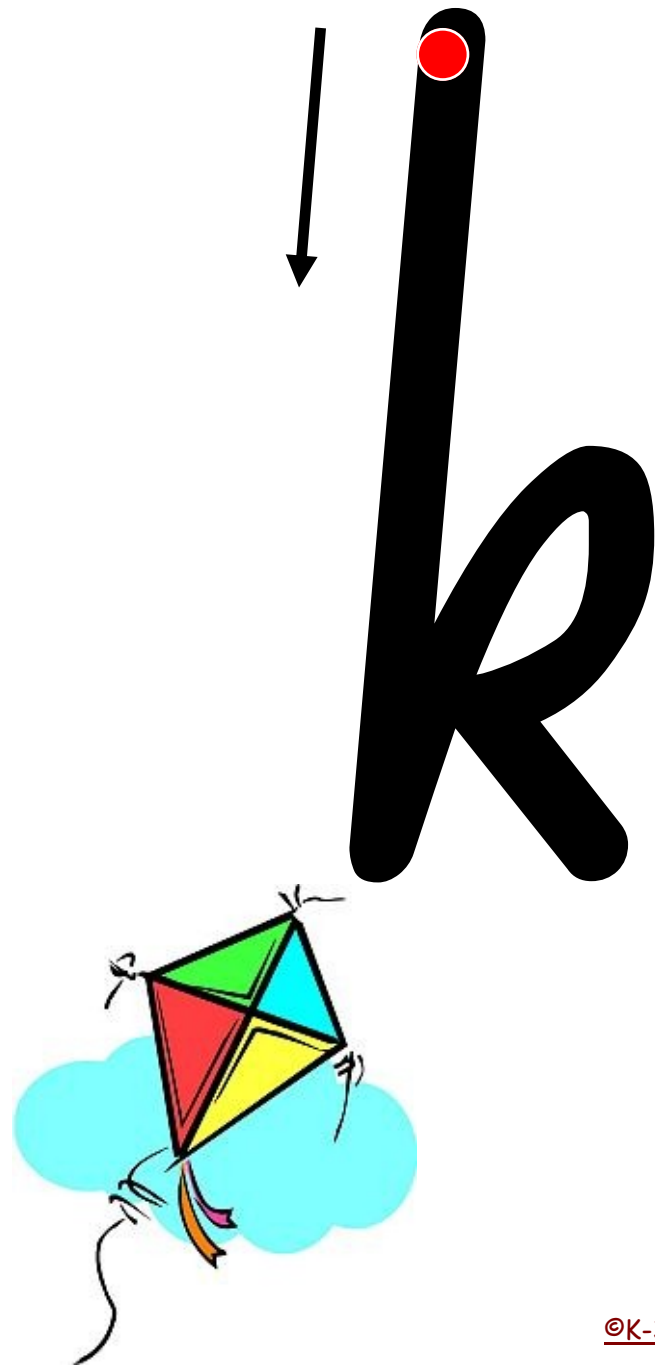

This one you could
draw with a blind-
fold – a line with a
dot, *i* for *igloo* is
cold...

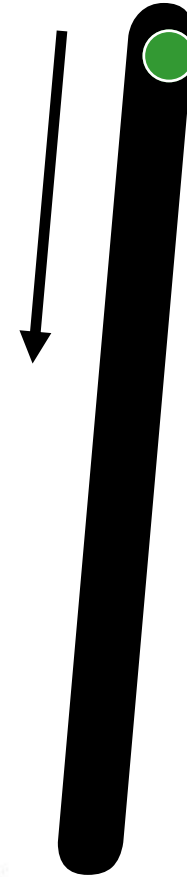

j for *j*ellyfish has a
hook on its *t*ail,
remember the dot
and you cannot
*f*ail...

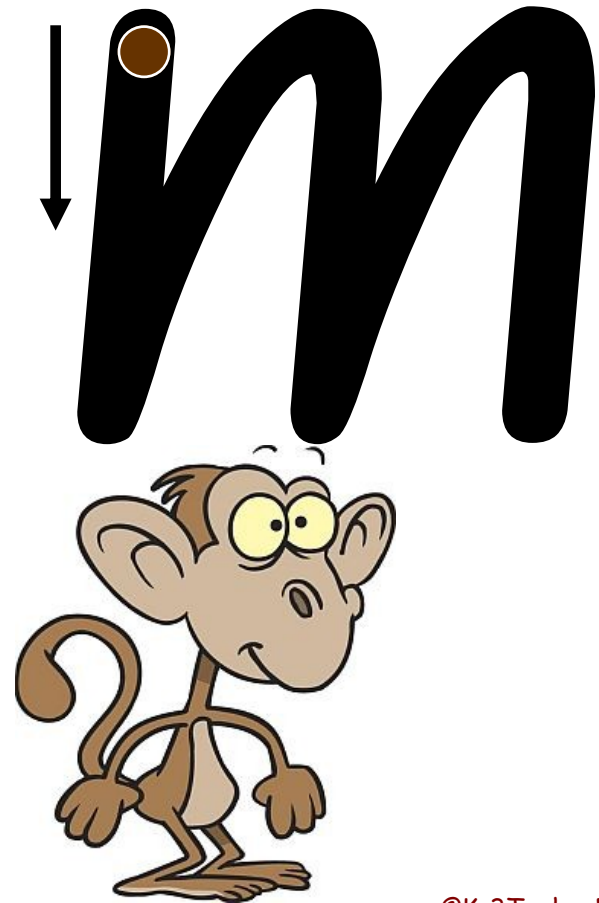

A line up to a
loop, kick it out
to end, **k** for **k**ite
can be your
friend...

Only a line makes **l**
for **leaf**. It's
very easy and very
brief...

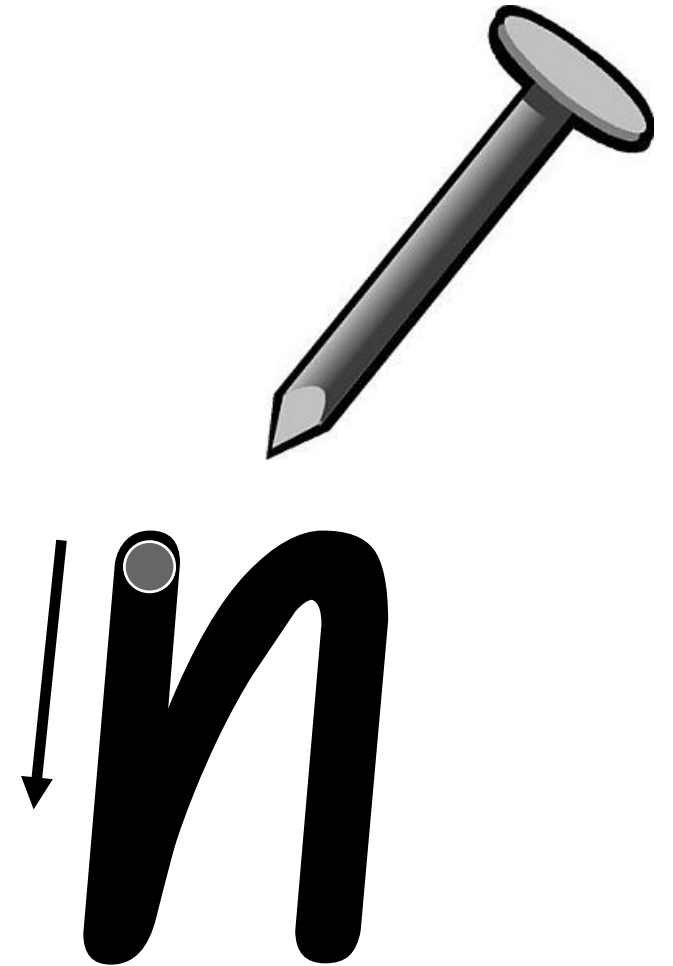

Make a line and an
arch and then
another, **m** for
monkey and **m** for
mother...

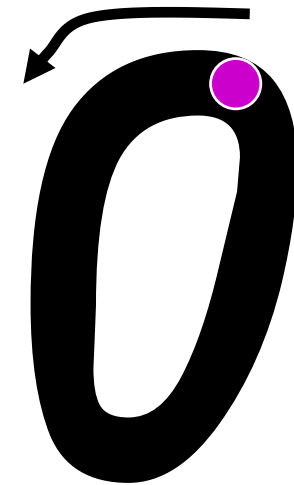

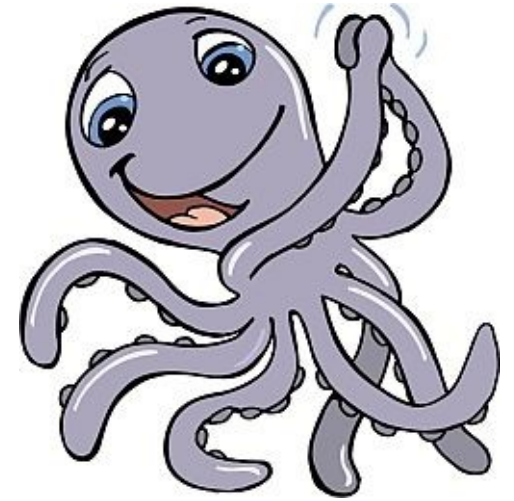

Make a line and
an arch

– only **one**,

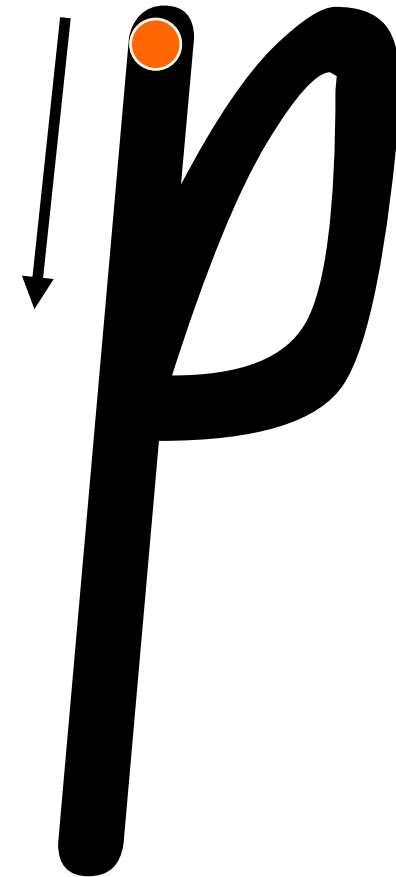

n for **nail** is lots
of **fun**...

o for octopus is
just like nought.
It's just a circle
of a sort...

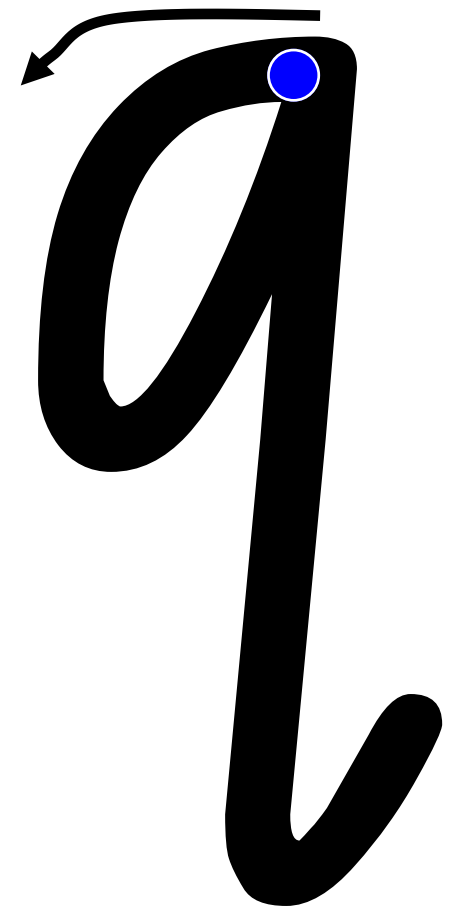

p for **p**umpkin
lying on the
ground. First
there's a tail then
a loop goes
round...

First a loop
with a hooked tail

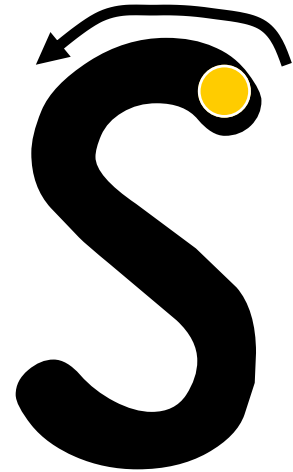

going **down**,
q for **queen** is
wearing her
crown...

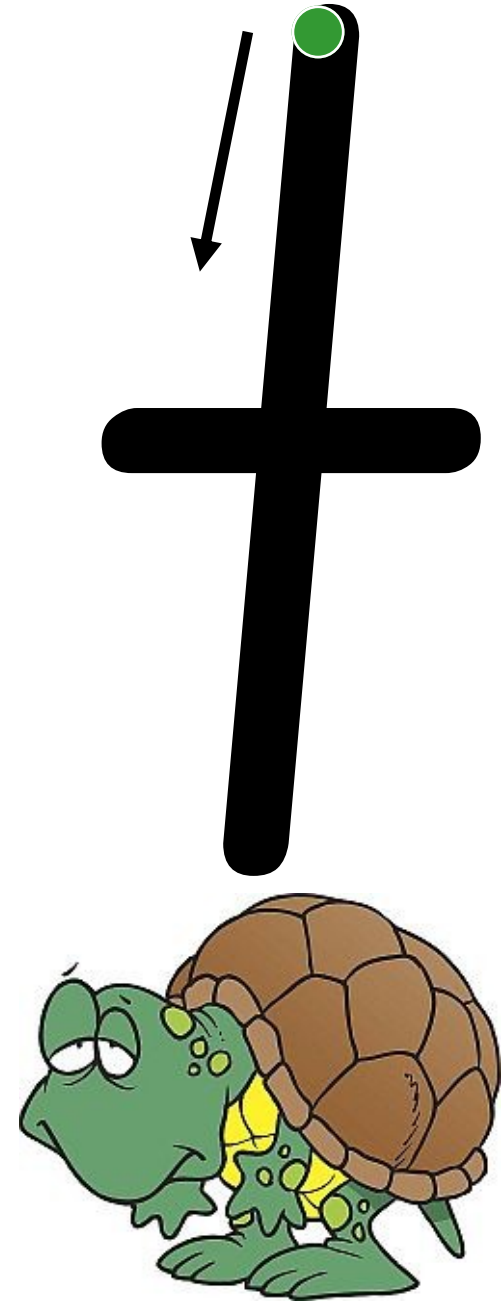

A small line down
and back up you
swoop, **r** for **r**ain
has a little
droop...

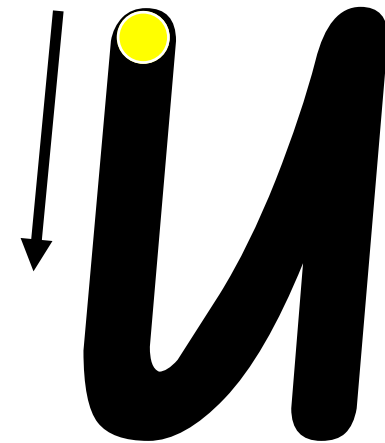

Curves that back
and forwards **spread**,
s for **sun** – put your
hat on your **head**!...

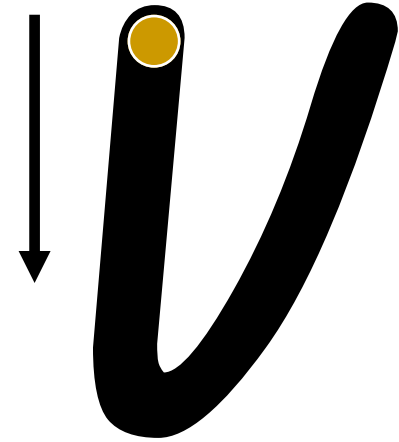

A line with a cross
looks just like a
sword, † for †ur-
tle – you'll never
be bored...

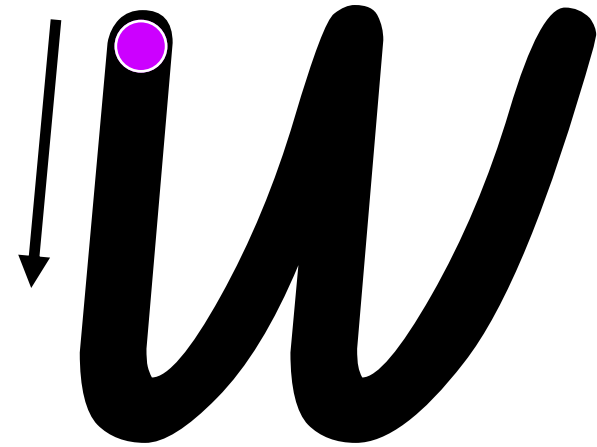

A curve like a cup
with a line going
down,
u for **u**mbrella is a
smile, not a
frown...

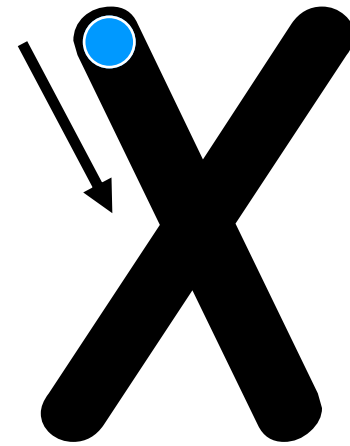

A small line down
and a curved line
makes a **cup**, **v** for
volcano is down-
side **up**!

Down, up, down,
up - *w* does *flow*,
w for *w*atch tells
the time we all
know...

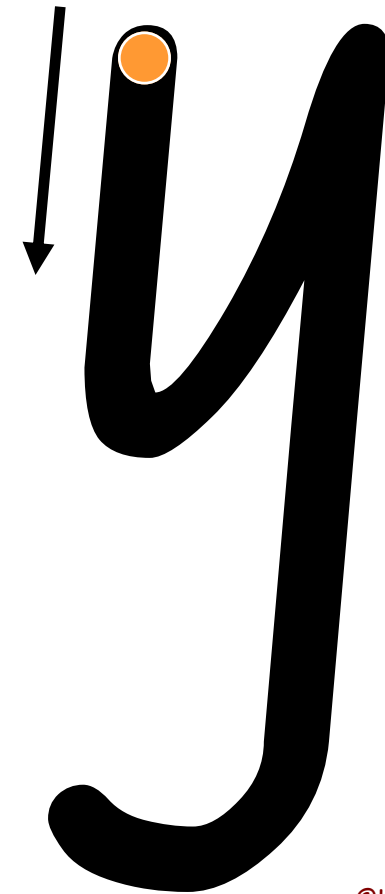

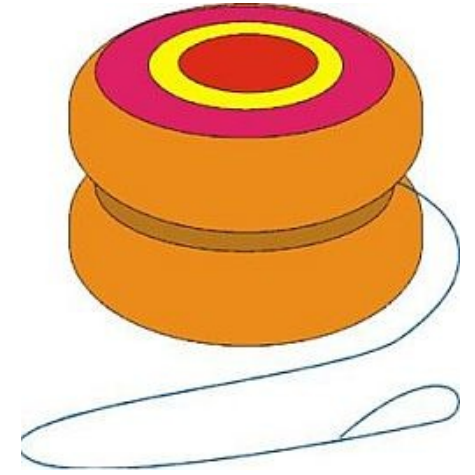

A line leaning that
way another leaning
this, **x** for **x**ylo-
phone is a cross you
cannot **miss**

A cup with a
hooked tail and
what do you get?

y for yo-yo
near the end of the
alphabet.

Across and down
and across you
see, *z* for *zipper*
– the end of our
abc...
